

ProEdge360: Exhaustive Stakeholder Features & Requirements

STUDENT DASHBOARD - COMPLETE DETAILS

1. PROFILE & ONBOARDING

- Student registration with basic information
- Psychometric test suite:
 - MBTI (16 Personalities)
 - RIASEC (Holland Code)
 - VARK Learning Styles
 - DISC Assessment
 - Aptitude Tests
 - Multiple Intelligence Test
- Career roadmap generator based on test results
- Personalised skill mapping (hard skills, soft skills)
- Career categories display:
 - Core careers
 - Cross-functional careers
 - Future careers
- Academic courses requirement display
- Curated courses list:
 - Academic courses
 - Professional courses
 - Job-ready courses
 - Mindset courses
 - Podcasts
 - Books
- Profile completion tracking

2. LEARNING PATH & COURSE MANAGEMENT

- Course enrollment system for:
 - College academic courses
 - Global courses (from Super Admin)

- Vendor courses (free/paid via YouTube embed)
 - Brand-sponsored courses
- Course progress tracker
- Assignment submission portal
- Assessment/exam interface
- Video player with transcript below
- Notes saving feature:
 - Highlight text from transcript
 - "Save Notes" button appears on selection
 - Saved notes organized in "My Notes" section
- Course rating system (moderated by Super Admin)
- Course request form to suggest new topics
- Student-created course builder (visible only to student and Super Admin)

3. GAMIFICATION & REWARDS SYSTEM

- Points accumulation system
- Badges and achievements
- Coupon system for premium content
- Certificate generation upon completion
- Exclusive content access unlocks
- Referral rewards system:
 - Refer other students
 - Gamified tracker (pizza slice diagram example)
 - Empty diagram fills with each referral
 - Tiered rewards:
 - 5 referrals: Free mentoring session
 - 10 referrals: Premium workshop access
 - Non-pizza rewards:
 - Free premium courses
 - Amazon vouchers
 - Coupons for premium workshops
 - Exclusive community access
 - Free mentoring sessions
- Streaks system:
 - Daily/weekly activity tracking
 - Visual streak display
 - Break notifications

- Leaderboard showing peer progress
- FOMO (Fear of Missing Out) notifications
- Motivational messages for inactivity
- Social media sharing rewards:
 - Share course completion on LinkedIn
 - Earn reward points for sharing
 - Companies can verify shared completions

4. MENTORSHIP ZONE

- Mentor assignment display (assigned by College Admin)
- Mentor types:
 - Instructor mentors
 - Career counsellors
 - Alumni mentors
- Task assignment view from mentors:
 - Workshops
 - Seminars
 - Case studies
 - Projects
- Task submission system
- Feedback and guidance from mentors
- Mentor rating capability (moderated by Super Admin)
- Chat/communication interface with mentor
- Workshop attendance tracking

5. EVENTS & WORKSHOPS

- Events calendar displaying:
 - College-hosted events
 - Brand-hosted events
 - Vendor-hosted events
 - Company-hosted events
- Event registration system
- Event categories:
 - Webinars
 - Seminars

- Workshops
- Hackathons
- Competitions
- Networking events
- Certificate generation for event participation
- Event reminders and notifications
- Post-event feedback/rating system

6. PLACEMENT & CAREER READINESS

- Placement readiness meter showing eligibility status
- Internship application portal
- Job application portal
- Company recruitment drive listings
- Virtual internship participation:
 - Forage-style simulated internships
 - Company-hosted tasks and projects
 - Completion tracking
- Challenge participation:
 - Hackathons
 - Coding challenges
 - Case competitions
 - Prize/reward tracking
- Resume auto-build system:
 - Automatically updates with completed:
 - Courses
 - Tasks
 - Projects
 - Activities
 - Case studies
 - Assignments
 - Editable resume interface
 - Download/export options
- Portfolio builder:
 - Projects showcase
 - Certificates display
 - Skills listing
 - Shareable portfolio link

7. PERSONALIZED TRACKERS & PLANNING

- Progress visualization:
 - What's completed
 - What's pending
 - Percentage completion
- Personal planner:
 - Plan what to complete and when
 - Set goals and deadlines
- Notepad feature:
 - Personal notes
 - Blog links storage
 - Idea capture
- E-books section:
 - Notes shared by instructors
 - Materials shared by companies
 - Alumni-shared resources
 - Vendor-provided materials
 - Mentor-shared guides

8. SOCIAL FEATURES

- Profile sharing options
- Achievement sharing on social media
- LinkedIn integration for certificate sharing
- Peer collaboration zones:
 - Group projects
 - Peer reviews
 - Discussion forums
- Community forums by industry/role

9. NOTIFICATIONS & ALERTS

- Course deadline reminders
- Assignment submission alerts
- Event participation reminders
- Mentor task notifications

- Streak maintenance alerts
- Inactivity nudges
- Motivational messages
- FOMO (Fear of Missing Out) notifications
- Reward achievement announcements
- Placement opportunity alerts

10. ANALYTICS & PROGRESS MONITORING

- Skill gap analyzer (AI-driven)
- Career progress dashboard
- Course completion statistics
- Time spent analytics
- Engagement metrics
- Readiness score breakdown
- Peer comparison analytics
- Performance trends over time

11. RESOURCE LIBRARY

- Personal notes repository
- Saved articles/blogs
- Bookmarked resources
- Downloaded materials
- Shared files from mentors/instructors
- Company-provided resources
- Alumni-contributed content

12. SETTINGS & PREFERENCES

- Notification preferences
- Privacy settings
- Profile visibility controls
- Communication preferences
- Learning style preferences
- Career goal updates

- Skill interest modifications

INSTRUCTOR DASHBOARD - COMPLETE DETAILS

1. PROFILE & EXPERTISE MANAGEMENT

- Instructor profile setup
- Expertise area specification
- Credentials and certification upload
- Teaching experience documentation
- Availability calendar
- Global instructor application (to Super Admin)
- Commission tracking preferences

2. COURSE CREATION & MANAGEMENT

- Course authoring tools:
 - Video upload and hosting
 - PDF/document upload
 - Quiz/exam creation
 - Assignment design
 - Interactive content tools
- Course categorization:
 - Academic courses
 - Professional courses
 - Job-ready courses
 - Mindset courses
- Course visibility settings:
 - College-specific
 - Global (if approved as Global Instructor)
- Course pricing setup (if applicable)
- Coupon creation for discounts
- Course scheduling and pacing
- Module/lesson organization

3. STUDENT MANAGEMENT & TRACKING

- Student roster for each course
- Progress tracking per student
- Attendance monitoring
- Engagement analytics
- Performance metrics
- Skill gap identification
- Individual student notes
- Communication history

4. ASSIGNMENT & ASSESSMENT SYSTEM

- Assignment creation:
 - Tasks
 - Projects
 - Case studies
 - Research papers
- Rubric and grading criteria setup
- Deadline management
- Submission portal
- Grading interface:
 - Manual grading
 - Auto-grading for quizzes
 - Feedback provision
 - Score recording
- Exam/quiz administration:
 - Question bank management
 - Test paper generation
 - Proctoring options
 - Result analytics

5. PROMOTION & PROGRESSION CONTROL

- Student progression approval system
- Placement eligibility verification
- Level/semester promotion authority

- Readiness certification
- Internship eligibility endorsement
- Graduation clearance

6. MENTORSHIP FEATURES (if acting as mentor)

- Mentee group assignment
- Task assignment to mentees
- Workshop/seminar hosting
- Feedback provision
- Career guidance notes
- Readiness endorsement

7. CONTENT & RESOURCE SHARING

- Notes sharing with students
- E-book upload and distribution
- Reference material library
- Case study repository
- Industry resource sharing
- Podcast/blog recommendations

8. EVENT HOSTING

- Workshop creation and hosting
- Webinar scheduling and delivery
- Seminar organization
- Guest lecture arrangements
- Office hours scheduling
- Q&A session hosting

9. ANALYTICS & REPORTING

- Course performance analytics
- Student engagement metrics
- Completion rate statistics

- Assessment result analysis
- Feedback and rating reports
- Revenue/commission reports (for Global Instructors)
- Impact measurement

10. COMMUNICATION TOOLS

- Announcement system for students
- Individual messaging
- Group communication
- Discussion forum moderation
- Feedback collection
- Survey administration

11. COLLABORATION FEATURES

- Co-teaching mode with other instructors
- Content sharing with peers
- Joint course development
- Cross-disciplinary project coordination
- Department collaboration

12. RATINGS & FEEDBACK MANAGEMENT

- Student rating reception
- Rating moderation view (if applicable)
- Feedback analysis
- Performance improvement tracking
- Response to student feedback

MENTOR DASHBOARD - COMPLETE DETAILS

1. PROFILE & BACKGROUND

- Mentor profile setup
- Mentor type selection:
 - Instructor mentor
 - Career expert
 - Alumni mentor
- Industry background documentation
- Expertise area specification
- Years of experience
- Sector/domain specialization
- Availability indication
- Credentials and achievements

2. MENTEE ASSIGNMENT & MANAGEMENT

- Mentee list display (assigned by College Admin)
- Student group assignment
- Mentee profile viewing
- Progress tracking per mentee
- Communication history
- Meeting schedule
- Availability coordination

3. TASK & WORKSHOP ASSIGNMENT

- Task creation tools:
 - Workshops
 - Seminars
 - Case studies
 - Industry simulations
 - Projects
- Task description and guidelines
- Deliverable specifications
- Deadline setting
- Resource attachment
- Progress tracking

4. FEEDBACK & GUIDANCE SYSTEM

- Qualitative feedback provision
- Quantitative ratings
- Career advice notes
- Skill development suggestions
- Improvement recommendations
- Encouragement messages
- Regular check-in system

5. REWARD & RECOGNITION

- Badge award system
- Certificate issuance
- "Internship-ready" endorsement
- "Job-ready" certification
- Special recognition awards
- Recommendation letter writing

6. EVENT HOSTING

- Guest lecture scheduling
- Q&A session organization
- Industry panel hosting
- Alumni talk arrangements
- Networking event coordination
- Workshop facilitation

7. RESOURCE SHARING

- Career resource upload
- Industry report sharing
- Book recommendations
- Podcast suggestions
- Article/blog sharing
- Tool/resource recommendations

8. ANALYTICS & TRACKING

- Mentee progress monitoring
- Task completion rates
- Engagement metrics
- Impact measurement
- Success rate tracking
- Time spent analytics

9. COMMUNITY & NETWORKING

- Mentor community forum
- Best practice sharing
- Peer collaboration
- Knowledge exchange
- Problem-solving discussions
- Network building

10. RATINGS & FEEDBACK RECEPTION

- Student rating display
- Feedback review
- Quality improvement tracking
- Response to feedback
- Rating analytics

11. ALUMNI-SPECIFIC FEATURES (if alumni mentor)

- Alumni story sharing
- Career journey timeline
- College connection highlighting
- Network building with current students
- Placement guidance based on personal experience
- Industry connection sharing

VENDOR DASHBOARD - COMPLETE DETAILS

1. PROFILE & BRANDING

- Vendor profile setup
- Vendor type selection:
 - Trainer
 - YouTuber
 - Course provider
 - Educational company
- Brand logo and description
- Contact information
- Verification status
- Portfolio showcase

2. COURSE HOSTING & MANAGEMENT

- Course upload interface:
 - Video content (YouTube embed or direct upload)
 - PDF/document materials
 - Quizzes and assessments
 - Assignment creation
- Course categorization
- Pricing setup:
 - Free courses
 - Paid courses
 - Freemium models
- Visibility settings
- Course scheduling
- Content organization

3. COUPON & PROMOTION SYSTEM

- Discount coupon creation
- Coupon code generation
- Validity period setting

- Usage limit configuration
- Redemption tracking
- Promotion campaign management

4. EVENT HOSTING

- Webinar scheduling
- Workshop organization
- Competition hosting
- Seminar arrangement
- Registration management
- Ticketing system (if paid events)
- Attendee tracking

5. STUDENT ENGAGEMENT & ANALYTICS

- Limited student data access:
 - Name only
 - Email only
 - No full profile access
- Course engagement metrics:
 - Number of students accessed
 - Watch time analytics
 - Completion rates
 - Drop-off points
- Feedback and rating viewing
- Performance analytics

6. REVENUE & MONETIZATION

- Sales dashboard
- Revenue tracking
- Payout management
- Commission calculations
- Refund processing
- Financial reporting

- Tax documentation

7. COLLABORATION & PARTNERSHIPS

- Collaboration hub for partnerships:
 - Brand collaborations
 - College partnerships
 - Company tie-ups
 - Joint event planning
- Co-branding opportunities
- Cross-promotion arrangements

8. MARKETING & VISIBILITY

- Shareable statistics generation
- Social media integration (LinkedIn sharing)
- Performance metric export
- Success story showcasing
- Testimonial collection
- Marketing material creation

9. CONTENT LIBRARY MANAGEMENT

- Course catalog management
- Resource organization
- Update and version control
- Archive management
- Content performance tracking

10. COMPLIANCE & QUALITY

- Content moderation compliance
- Quality standards maintenance
- Update frequency tracking
- Student feedback response
- Platform policy adherence

BRAND DASHBOARD - COMPLETE DETAILS

1. PROFILE & BRAND IDENTITY (Super Admin Controlled)

- Brand profile setup (Super Admin approved)
- Logo and branding materials
- Industry categorization
- CSR (Corporate Social Responsibility) initiatives listing
- Focus area specification
- Mission and values display
- Contact information

2. EVENT HOSTING & MANAGEMENT (Super Admin Allocated)

- Event proposal system:
 - Seminars
 - Hackathons
 - Challenges
 - Awareness campaigns
 - Competitions
- Super Admin approval workflow
- College visibility allocation (by Super Admin)
- Event scheduling
- Registration management
- Attendee tracking
- Resource allocation

3. CERTIFICATION & RECOGNITION

- Branded certificate creation:
 - Certificate design with brand logo
 - Criteria for issuance
 - Automated generation
 - Digital distribution
- Verification system
- Certificate tracking

- Revocation capability (if needed)

4. SPONSORSHIP MANAGEMENT (Super Admin Controlled)

- Scholarship program setup:
 - Criteria definition
 - Application process
 - Selection workflow
 - Disbursement tracking
- Free course sponsorship
- Event sponsorship
- CSR fund allocation
- Impact measurement

5. ENGAGEMENT ANALYTICS & ROI

- Participation metrics:
 - Number of participants
 - Demographic breakdown
 - Engagement levels
 - Completion rates
- Visibility metrics:
 - Impressions
 - Reach
 - Social media mentions
 - Brand recall measurements
- Conversion tracking:
 - Scholarship applications
 - Certificate earners
 - Event attendees
- ROI calculation dashboards

6. CO-BRANDED LEARNING INITIATIVES

- Joint curriculum development with:
 - Colleges

- Vendors
 - Other brands
- Certification program co-creation
- Industry-standard setting
- Skill framework development

7. CSR IMPACT DASHBOARDS

- Tier 4 college sponsorship tracking
- Underprivileged student reach
- Community impact measurements
- Social good reporting
- Sustainability metrics
- ESG (Environmental, Social, Governance) reporting

8. EXTERNAL VISIBILITY & MARKETING

- Success story sharing
- Impact report generation
- Social media integration
- Press release creation
- Case study development
- Testimonial collection

9. COLLABORATION NETWORK

- College partnership management
- Vendor collaboration tracking
- Company alliance management
- Industry network building
- Stakeholder engagement tracking

10. COMPLIANCE & REPORTING

- CSR compliance documentation
- Impact reporting standards

- Audit trail maintenance
- Policy adherence tracking
- Regulatory requirement fulfillment

COMPANY DASHBOARD - COMPLETE DETAILS

1. PROFILE & HIRING NEEDS (Super Admin/College Admin Approved)

- Company profile setup
- Industry classification
- Hiring needs specification:
 - Roles required
 - Skills needed
 - Locations
 - Experience levels
- Company culture presentation
- Branding materials
- Verification status

2. RECRUITMENT GATEWAY

- Job posting creation:
 - Internship positions
 - Full-time roles
 - Contract positions
 - Remote opportunities
- Eligibility filter setup:
 - Course completion requirements
 - Skill prerequisites
 - Readiness meter thresholds
 - Psychometric profile preferences
- Application management system
- Candidate communication tools

3. SKILL TESTING & ASSESSMENT

- Challenge hosting platform:
 - Hackathons
 - Coding challenges
 - Case competitions
 - Aptitude tests
- Test creation tools
- Evaluation criteria setup
- Automated scoring
- Manual assessment interface
- Result analytics

4. VIRTUAL INTERNSHIP PROGRAM

- Forage-style internship creation:
 - Real-world task simulation
 - Project-based learning
 - Milestone tracking
 - Completion certification
- Task library management
- Progress monitoring
- Feedback provision
- Performance evaluation

5. TALENT POOL ACCESS (Approval Required)

- Student profile viewing (with College/Super Admin approval)
- Filtering capabilities:
 - By skills
 - By psychometric profile
 - By readiness meter score
 - By course completion
 - By mentor endorsements
- Portfolio review
- Resume access
- Shortlisting tools
- Candidate comparison

6. RECRUITMENT EVENT HOSTING

- Campus drive organization
- Workshop hosting
- Webinar presentation
- AMA (Ask Me Anything) sessions
- Networking events
- Interview scheduling
- Virtual career fair participation

7. ANALYTICS & ROI MEASUREMENT

- Recruitment funnel analytics:
 - Applications received
 - Shortlists made
 - Interviews conducted
 - Hires completed
- Skill distribution analysis
- Quality of hire metrics
- Cost-per-hire calculations
- ROI dashboards
- Success rate tracking

8. EMPLOYER BRANDING

- Company story sharing
- Employee testimonial showcase
- Culture presentation
- Achievement highlighting
- Social responsibility display
- Industry leadership positioning

9. COLLABORATION & PARTNERSHIPS

- College relationship management
- Brand partnership opportunities

- Vendor collaboration
- Industry alliance building
- Co-creation initiatives

10. COMPLIANCE & GOVERNANCE

- Equal opportunity compliance
- Data privacy adherence
- Interview process standardisation
- Documentation requirements
- Audit trail maintenance

COLLEGE ADMIN DASHBOARD - COMPLETE DETAILS

1. COLLEGE PROFILE & OVERVIEW

- College profile setup
- Department structure creation
- Faculty directory management
- Program/course catalog
- Academic calendar setup
- Infrastructure details
- Accreditation information
- Contact information

2. INSTRUCTOR MANAGEMENT

- Instructor onboarding
- Profile verification
- Course assignment
- Workload management
- Performance tracking
- Communication tools
- Professional development tracking
- Contract management

3. STUDENT MANAGEMENT

- Student enrollment system
- Batch/cohort creation
- Attendance tracking
- Academic progress monitoring
- Performance analytics
- Disciplinary actions
- Communication portal
- Document management

4. MENTOR ASSIGNMENT SYSTEM

- Mentor database management
- Student group creation
- Mentor-student matching
- Assignment tracking
- Relationship monitoring
- Feedback collection
- Performance evaluation

5. COURSE HOSTING & CURRICULUM

- Academic course upload
- Curriculum design tools
- Syllabus management
- Credit system setup
- Prerequisite configuration
- Course scheduling
- Room allocation (if applicable)
- Resource allocation

6. EVENT HOSTING & MANAGEMENT

- College event creation:
 - Webinars

- Workshops
 - Competitions
 - Conferences
 - Cultural events
- Inter-college event hosting
- External participant management
- Resource planning
- Budget allocation
- Marketing and promotion

7. PLACEMENT DRIVE COORDINATION

- Company invitation system
- Recruitment drive scheduling
- Student shortlisting
- Interview coordination
- Offer management
- Placement statistics tracking
- Alumni placement updating
- Employer relationship management

8. LOCAL ANALYTICS & REPORTING

- Student engagement metrics
- Course completion rates
- Placement success statistics
- Revenue tracking (if applicable)
- Resource utilization
- Performance benchmarking
- Accreditation reporting
- Government compliance reporting

9. COLLABORATION & PARTNERSHIPS

- Brand partnership management
- Vendor collaboration

- Company relationship building
- Inter-college alliances
- Industry association memberships
- MoU (Memorandum of Understanding) management

10. PARENT DASHBOARD CONTROL

- Feature enable/disable for parent view:
 - Progress overview
 - Activity tracker
 - Achievements display
 - Placement updates
 - Notes access
 - Resume snapshot
 - Communication alerts
- Privacy settings management
- Communication preference setup
- Access level configuration

11. COLLEGE SHOWCASE HUB

- SEO blog publishing platform
- Content management system
- Media gallery for:
 - Placement posters
 - Achievement infographics
 - Event photographs
 - Student work showcase
- Wall of Fame management:
 - Top student highlighting
 - Alumni success stories
 - Faculty achievements
 - Award winners
- College magazine upload and distribution
- News and announcement system
- Social media integration
- Analytics for showcase content

12. FINANCIAL MANAGEMENT (if applicable)

- Fee collection tracking
- Scholarship disbursement
- Vendor payment processing
- Budget allocation
- Expense tracking
- Revenue sharing (if collaborating with other colleges)

13. COMPLIANCE & ACCREDITATION

- Regulatory compliance tracking
- Accreditation requirement management
- Audit preparation
- Document repository
- Policy management
- Quality assurance processes

14. COMMUNICATION SYSTEM

- Broadcast messaging to:
 - All students
 - Specific batches
 - Faculty members
 - Parents (if enabled)
- Notification system
- Announcement platform
- Emergency alert system
- Feedback collection mechanism

SUPER ADMIN DASHBOARD - COMPLETE DETAILS

1. GLOBAL PLATFORM OVERVIEW

- Total colleges dashboard

- Active admin counts
- Instructor statistics
- Student enrollment numbers
- Course catalog overview
- Event participation metrics
- Placement statistics
- Revenue overview
- System health monitoring

2. COLLEGE ADMIN MANAGEMENT

- College admin creation
- Permission assignment
- Account suspension/enablement
- College allocation
- Performance monitoring
- Communication tools
- Training management
- Support ticketing

3. GLOBAL CONTENT HUB

- Course publishing platform:
 - Academic courses
 - Professional courses
 - Job-ready courses
 - Mindset courses
- Workshop creation and distribution
- Webinar hosting and scheduling
- Book and resource library
- Notes and study material repository
- Podcast hosting
- Mentoring program design
- Case study library
- Certification program creation

4. STAKEHOLDER MANAGEMENT

- Brand Management:
 - Profile approval workflow
 - Visibility assignment to colleges
 - CSR initiative monitoring
 - Performance tracking
 - Compliance verification
- Company Management:
 - Profile verification
 - Recruitment drive approval
 - Internship program validation
 - Challenge hosting permission
 - College access allocation
- Vendor Management:
 - Profile approval
 - Course quality monitoring
 - Engagement tracking
 - College visibility control
 - Compliance enforcement
- Instructor Management:
 - Global instructor approval
 - Commission structure setup
 - Performance monitoring
 - Quality assurance
- Mentor Management:
 - Alumni mentor verification
 - Cross-college assignment capability
 - Quality monitoring
 - Performance tracking

5. GLOBAL EVENT HOSTING

- Cross-college event creation:
 - Hackathons
 - Competitions
 - Webinars
 - Conferences

- Participation management
- Resource allocation
- Promotion and marketing
- Analytics and reporting
- Certificate generation

6. PAYMENT & TRANSACTION MANAGEMENT

- Commission settlement for:
 - Global instructors
 - Vendors
 - Content creators
- Sponsorship fund disbursement
- College subscription billing
- Revenue sharing calculations
- Payout scheduling
- Financial reporting
- Tax documentation
- Audit trail maintenance

7. FEATURE CONTROL SYSTEM

- Role-based feature toggles:
 - Enable/disable features per role
 - College-level feature customization
 - Time-based feature activation
- Experimental feature rollout
- A/B testing configuration
- Feature usage analytics

8. EXPIRATION MANAGEMENT

- College subscription expiry tracking
- Global course expiration dates
- Event validity periods
- Certification expiry management

- License renewal reminders
- Automated deactivation workflows

9. COLLEGE PERMISSION MATRIX

- Feature access control per college:
 - Placement module enable/disable
 - Company access control
 - Brand visibility settings
 - Vendor course access
 - Parent dashboard features
 - Social sharing capabilities
- Custom permission packages
- Bulk permission assignment
- Inheritance rule configuration

10. MONETIZATION & COMMISSION CONTROL

- Commission rule configuration:
 - Percentage-based on watch time
 - Completion-based payouts
 - Engagement-based incentives
- Payout schedule setup
- Minimum threshold configuration
- Dispute resolution system
- Performance analytics

11. GLOBAL ANALYTICS DASHBOARDS

- Engagement metrics across all colleges
- Placement success rates
- Revenue stream analysis
- CSR impact measurement
- Student readiness trends
- Platform growth metrics
- Geographic distribution analysis

- Demographic insights
- Predictive analytics

12. COMPLIANCE & SECURITY CENTER

- Data Privacy Management:
 - GDPR compliance tracking
 - DPDP Act 2023 compliance
 - Data encryption monitoring
 - Consent management
 - Data retention policies
 - Breach response protocols
- Audit Systems:
 - User activity logs
 - Financial transaction trails
 - Content modification history
 - Access log maintenance
 - Compliance audit preparation
- Security Controls:
 - Role-based access configuration
 - Two-factor authentication management
 - IP restriction setup
 - Session management
 - Vulnerability scanning
 - Incident response planning
- Policy Management:
 - Terms of service updates
 - Privacy policy maintenance
 - Acceptable use policy enforcement
 - Content moderation guidelines
 - Ethical use policies

13. NOTIFICATION & COMMUNICATION SYSTEM

- Global announcement platform
- Targeted alert system
- Emergency notification capability

- Scheduled messaging
- Multi-language support
- Delivery analytics
- Response tracking

14. ISSUE RESOLUTION & ESCALATION

- Ticketing system for:
 - College admin escalations
 - Student complaints
 - Instructor disputes
 - Vendor issues
 - Brand concerns
 - Company problems
- Priority level assignment
- Resolution tracking
- SLA (Service Level Agreement) monitoring
- Escalation workflows
- Knowledge base management

15. SYSTEM CONFIGURATION

- Platform settings management
- Integration configuration:
 - YouTube API
 - LinkedIn integration
 - Payment gateway setup
 - Email service configuration
 - SMS gateway setup
- Third-party tool integration
- Custom field configuration
- Workflow automation setup
- Backup and recovery management

16. PERFORMANCE MONITORING

- Server health monitoring
- Database performance tracking
- Application response times
- User experience metrics
- Load balancing management
- Scaling configuration
- Disaster recovery testing

17. LEGAL & CONTRACT MANAGEMENT

- Contract repository
- License agreement tracking
- Partner agreement management
- Compliance document storage
- Renewal reminder system
- Digital signature management

PARENT DASHBOARD - COMPLETE DETAILS

1. ACCESS CONTROL (College Admin Controlled)

- Login credentials provision
- Child/student linking
- Permission level configuration by college admin
- Feature enable/disable control by college admin
- Privacy setting management

2. STUDENT PROGRESS OVERVIEW (If enabled by College Admin)

- Course enrollment display
- Completion percentage tracking
- Attendance summary
- Overall performance grade
- Readiness meter view
- Milestone achievement tracking

3. ACTIVITY & ENGAGEMENT TRACKER (If enabled by College Admin)

- Daily activity log
- Weekly engagement summary
- Streak maintenance display
- Time spent on platform
- Active days count
- Inactivity alerts

4. ACHIEVEMENTS & CERTIFICATES (If enabled by College Admin)

- Badges earned display
- Certificate gallery
- Reward collection view
- Recognition awards
- Special achievements
- Timeline of accomplishments

5. PLACEMENT & INTERNSHIP UPDATES (If enabled by College Admin)

- Internship applications
- Job application status
- Company interview schedules
- Placement drive participation
- Offer status
- Career fair attendance

6. NOTES & RESOURCE ACCESS (If enabled by College Admin)

- Student's saved notes view
- Instructor-shared materials
- E-book library access
- Reference material viewing

- Study resource availability
- Assignment submission view

7. RESUME SNAPSHOT (If enabled by College Admin)

- Auto-built resume preview
- Skills inventory view
- Project portfolio display
- Certificate collection
- Experience summary
- Download capability (if permitted)

8. COMMUNICATION & ALERTS (If enabled by College Admin)

- Milestone notifications
- Inactivity alerts
- Upcoming event reminders
- Deadline warnings
- Achievement announcements
- Important updates
- College announcements
- Emergency notifications

9. COMMUNICATION TOOLS (If enabled by College Admin)

- Message system to college admin
- Feedback submission
- Meeting request capability
- Query submission portal
- Response tracking

10. FINANCIAL OVERVIEW (If applicable and enabled)

- Fee payment status
- Scholarship information
- Additional cost tracking

- Payment history
- Due date reminders

11. ACADEMIC CALENDAR VIEW (If enabled by College Admin)

- Important dates display
- Exam schedule
- Vacation periods
- Event calendar
- Deadline tracker

12. SUPPORT & HELP

- FAQ access
- Contact information
- Issue reporting
- Guidance resources
- Tutorial access
- Help documentation

13. SETTINGS & PREFERENCES

- Notification preferences
- Communication frequency
- Alert type selection
- Privacy settings
- Display preferences
- Language selection

This exhaustive list covers every feature, component, and requirement mentioned across all stakeholders in the provided conversation, without condensation or grouping. Each section maintains the detailed specifications as requested.
